### Research Experience

---

• International Business School, University of International Business and Economics	June 2024-present
Independent Researcher, advised by Dr. Xuejiao Liu	
<i>Stata; Research topic: Macro-economic forecast, State-ownership</i>	
Responsible for: <i>idea searching, data processing, empirical designing, writing</i>	
Abstract: We are interested in the current state of China's real estate industry. Our aim is to examine whether macroeconomic analysts at brokerages with higher levels of state ownership demonstrate a policy-driven optimism bias in their forecasts for real estate indicators following the loosening of real estate policies in China at the end of 2021.	
• HKU Business School, University of Hong Kong	Mar. 2024-June 2024
Research assistant for Dr. Charles Kang	
<i>Stata; Research topic: Merge&amp;Acquisition, non-profits</i>	
Responsible for: <i>idea searching, data collection, data cleaning</i>	
• International Business School, University of International Business and Economics	Sept.2023-Jan. 2024
Research assistant for Dr. Xuejiao Liu	
<i>Stata; Python; Research topic: Commercial banking, human capital, textual analysis</i>	
Responsible for: <i>idea searching, data collection, data cleaning, test variable searching</i>	
Abstract: We aimed to determine whether commercial banks increased their demand for forward-looking skills after implementing the IFRS9 Expected Credit Loss model. I contributed to the development of a key-word dictionary focused on forward-looking skills, which enabled us to gauge skill demand by the word frequency in job descriptions.
